

Ruben Zadigan Undergraduate Scholarship in Environmental Studies: Study Abroad Programs

Please read carefully the instructions before completing this application.

The Ruben Zadigan Undergraduate Scholarship in Environmental Studies Study Abroad Programs provides \$500 - \$1,200 in funding for students currently majoring in the University of Kansas (KU) Environmental Studies program, to participate in a KU-sponsored study abroad program with environmental content. Priority funding goes to study abroad programs officially sponsored by Environmental Studies.

This application applies to study abroad programs offered during the Summer of 2012 or the Fall 2012 - Spring 2013 academic year. For Summer 2012 programs, the application deadline is March 1, 2012. For Fall 2012 programs and Spring 2013 programs, the application deadlines coincide with the corresponding deadlines established by the KU Office of Study Abroad.

To be eligible for this scholarship, the applicant must be a declared Environmental Studies major by the time of submission. Consistent with the eligibility conditions imposed by the KU Office of Study Abroad, the scholarship program requires student status of good standing and a minimum GPA of 2.5. While a variety of factors are considered for the selection of scholarship recipients, preference is given to students whose overall GPA and GPA in the Environmental Studies major equal or exceed 3.0.
