AWG Osage Chapter Thomson Service Scholarship

Invites applications from graduate students in the geosciences for merit-based scholarships of $500 to be used for research, tuition, or books. This scholarship is funded in honor of Sean S. Thompson of Lawrence, KS for his invaluable support of the Osage Chapter.

Scholarship Deadline is April 15th, 2014 by 5 pm

Who may apply?

Applicant must be a graduate student of any gender majoring in the geosciences, including but not limited to:

- Environmental science
- Hydrogeology
- Physical Geography
- Geology
- Geophysics
- Geoarchaeology
- Paleoeology
- Paleoclimatology
- Paleontology
- Or other related geoscience fields

 Membership in AWG is NOT required. However, if you receive a scholarship it is expected that you will become a member of the national AWG organization.

Award Requirements:

- Scholarship recipient will be required to participate in two service events within a year following receipt of your award. AWG hosts many outreach activities over the year, thus opportunities to fulfill the service portion of this schedule should be able to fit any schedule. AWG RESERVES THE RIGHT TO RESCIND AWARDS IF SCHOLARSHIP REQUIREMENTS ARE NOT MET.

How to apply:

- Complete the application form below.
- Enclose a statement (1 page or less) indicating why you are applying for this service scholarship, why you value AWG’s mission of promoting women in the geosciences, and how your actions and attitudes promote this mission.
- Enclose a copy of current transcripts (Degree Progress Report form is acceptable).
- Have one faculty member sign off on your application below.
Application form and letter of intent must be received by April 15, 2014.
